Our Heritage and Global Presence

With over 100 years of business experience, Alokozay Group has developed a diverse portfolio of businesses and an extensive international presence. The Group has established a distribution network spanning more than 40 countries, including the UAE, Afghanistan, Pakistan, Canada and Cyprus, as well as markets across the Commonwealth of Independent States (CIS) and Africa. Through its own distribution network and trusted local partners, Alokozay Group delivers its products to markets around the world.

Distribution and Logistics

Alokozay Group operates an extensive in-house logistics network across the Middle East, supported by offices, state-of-the-art facilities, fully equipped warehouses and a fleet of approximately 15,000 vehicles. Its logistics capabilities play a key role in supporting the Group's distribution operations, helping ensure the efficient movement of products across its markets.

Manufacturing and Production

Alokozay Group has invested in manufacturing and production facilities, including bottling facilities in Jebel Ali Free Zone, Dubai, and a bottling plant in Kabul, Afghanistan. These facilities support the Group's operations across selected product categories and are equipped to meet its production requirements.

The Group's manufacturing capabilities span a range of consumer goods, supported by modern production technology and an emphasis on quality and efficiency.

Our Product Portfolio

Alokozay Group's product portfolio continues to expand across a broad range of consumer goods. Its products include:

• Beverages: Tea, juices, bottled water and milk products, including evaporated milk • Paper products and personal care: Facial tissues, bathroom tissues, kitchen towels, wet wipes, baby nappies, hand wash, bar soap, shower gel, hand sanitiser and face masks.•Food products: Sunflower oil, extra virgin olive oil, biscuits and pasta.•Household and automotive products: Detergent powder and engine oil.

The portfolio includes products marketed under the Alokozay brand, with a focus on delivering quality, value and everyday convenience to consumers.

Our Business Sectors

Beyond consumer goods manufacturing and distribution, Alokozay Group has expertise across several sectors, including fast-moving consumer goods (FMCG), logistics, real estate and hospitality. Through its diversified operations, international reach and continued development, the Group aims to strengthen its global presence and build a lasting, trusted brand.
